

# Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development at home over the coming weeks through sharing and exploring some or all of the following activities, which you can enjoy together:

We hope you have a wonderful break.

☀️ It is Pancake Day whilst we are not at nursery so please follow the below link to make pancakes with your child - photos would be much appreciated 😊.

☀️ We will be talking lots about healthy and unhealthy foods when we return to nursery. It would be lovely to be able to talk to them about their favourite foods to link to this - if you could discuss this with your child and send any photos of favourite foods, that would be fantastic.

☀️ Please follow the below link to show your child the "Pantasaurus" video from the PANTS Campaign. This campaign is so important for keeping children safe and helping them to understand what contact is Ok and what is not Ok. Please read the attached literature to enable you to have these important discussions with your child.
