Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- ❖ Talk about the length of items around the home, use language such as longer than, shorter than and encourage children to order items by length.
- ❖ Chat to your child about people who help us in our local environment, such as fire fighters, police, doctors etc.
- ❖ Encourage your child to be independent when putting on their coat and shoes.

Lending Library

We encourage morning children to share their weekly library book at home and enjoy retelling the story.

We have a collection of Story Sacks and numeracy and literacy based CD ROMs which are available for you to borrow at your last session of the week, to be returned the following Monday.

*Please would you let us have any 'WOW Moment' forms
and photos from any enhanced learning at home?*
