

What are we doing at Nursery this week?

- Experimenting with creating pictures and patterns using the natural objects

- Enjoying Autumn Stories

- Enjoying our builder's yard role play outdoors

- Enjoying our small world cars, garage and Bob the Builders builder's yard, creating structures from blocks to enhance our play

- Role playing Doctors

- Learning to travel with skill and confidence around and over our climbing trail

- Exploring the different sounds that musical instruments make whilst enjoying Music Time

Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- Looking for signs of Autumn in the environment and collecting conkers or other natural found objects, which can be used for accurate counting and making patterns.
- Talking about people who help us in the local environment, such as doctors, police, firefighters, dentists, etc. Discuss the role they play in keeping us safe and healthy.
- Share favourite stories with your child, encourage them to listen with increasing attention and recall to the story afterwards.

Lending Library

We encourage morning children to share their weekly library book at home and enjoy retelling the story.

We have a collection of Story Sacks and numeracy and literacy based CD ROMs which are available for you to borrow at your last session of the week, to be returned the following Monday.

Please would you let us have any 'WOW Moment' forms and photos from any enhanced learning at home?
