

What are we doing at Nursery this week?

- Focussing on the letter sounds 'S', 'A', 'T', 'P', 'I', 'N', 'M'

- Focussing on the initial sound of words whilst playing 'I-spy'

- Role playing Health Centres

- Understanding why we need to use tools safely whilst exploring our mud kitchen outdoors

- Practising our mark making skills using pens and paper or dry sand

- Learning about conditions of growth and the parts of a plant whilst planting seeds

- Printing with fruit and vegetables

- Making vegetable soup

- Being aware of our feelings and how our actions can affect others

- Finding out about growth and matching mummy animals to their babies

Match the animals with their youngone.

Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- Encourage your child to use positive language to talk about themselves and their abilities. Share stories about managing feelings, negotiating problems, resolving conflicts and sharing. Give children the vocabulary to describe their feelings and 'notice' positive actions, praising where appropriate.
- Help your child to find out about growth by planting seeds at home and caring for them as they germinate. Show them photographs of themselves as a baby and talk to them about how much they have grown.
- When out at the park or play area, encourage your child to think about safety when tackling new challenges. Enable them to manage their own risk by talking about how high they feel comfortable climbing and what might happen if they go near swings when in use, etc.

Lending Library

We encourage morning children to share their weekly library book at home and enjoy retelling the story.

We have a collection of Story Sacks and numeracy and literacy based CD ROMs which are available for you to borrow at your last session of the week, to be returned the following Monday.

Please would you let us have any 'WOW Moment' forms and photos from any enhanced learning at home?
