

What are we
doing at Nursery
this week?

Half Term

- Recalling what we did during our half term break
- Finding out about healthy practice regarding eating, drinking, rest and hygiene
- Role playing shop keepers and writing shopping lists
- Enjoying the story 'Kitchen Disco' and recalling the story

- Learning to balance on our 'al fresco' equipment and climbing trail and learning how to jump off equipment, landing safely

- Looking at similarities and differences between ourselves and others as we paint self-portraits.

- Reinforcing our rules and routines and learning about respecting each others personal space

Little Lambs Pre-School Centre	
Our Rules	
1. We care for each other	
2. We say 'please' and 'thank you'	
3. We listen to each other	
4. We call each other by our names	
5. We share and tidy up our toys	
6. We walk inside Pre-School	

- Observing the effects of exercise on our bodies, keeping warm outdoors

Working Together to Extend your Child's Learning at Home

As we work in partnership with parents/carers we ask that you continue to enhance your child's learning and development this week through sharing and exploring with some or all of the following activities which you can enjoy together:

- Talk about healthy lifestyles with your child and draw their attention to healthy and not so healthy foods when you're out shopping or cooking/eating at home. Explain that some foods are healthy, help you grow and stay healthy and they should eat lots of these. Also explain that some foods are not so healthy, these are OK to eat in smaller amounts, as treats, but it is not good for them to eat too much of these.
- Encourage your child to notice and talk about the features of their face; colour of eyes, skin, hair, etc. Draw their attention to the features of other people's faces and how some may be the same as theirs and some may be different.
- When out grocery shopping with your child, encourage them to be involved in the process. Ask them to help you write a shopping list, talk to them about the price of items, whether they like the taste of the item you are buying and what meal you could make with it. Encourage them to help give the money to the checkout person and pack the bags with you.

Lending Library

We encourage morning children to share their weekly library book at home and enjoy retelling the story.

We have a collection of Story Sacks and numeracy and literacy based CD ROMs which are available for you to borrow at your last session of the week, to be returned the following Monday.

Please would you let us have any 'WOW Moment' forms and photos from any enhanced learning at home?
